

INSTALLATION INSTRUCTIONS FOR 45-1616 GL1800 KICKSTAND EXTENSION

1. Place bike in center stand.
2. Remove bolt, nut, and washers from kickstand extension.
3. Slide the extension through the O.E.M. kickstand foot so the extension is on top of the kickstand.
4. Replace bolt, nut, and washers through hole on the extension behind the kickstand leg and tighten.
