

## **INSTALLATION INSTRUCTION for PART 45-1698 GL1800 2012-13 Side Fairing Logo**

## Read instruction thoroughly before installing.

- **1.** Put bike on center stand.
- 2. Test fit the parts on the bike to check fit and location.
- **3.** Clean location where part 45-1698 will be placed with alcohol pads.
- **4.** Remove backing from two sided tape.
- **5.** Working one side at a time, press one piece onto the bike and hold firmly for at least one minute.
- **6.** Repeat on the other side.
- 7. Do not ride bike for 24 hours to allow the two sided tape to properly adhere.
