18-113A

GL1800

GL1800 01-10 LED Fog Lights with Running and Turn Signals \$329.95

NEW All in one fog lights have integrated daytime running and turn signals (DRTS) with powerful LED. The fog lights produce a clean white light controlled independently from the DRTS. Day time running lights are white and remain on when there is power to the motorcycle and turn amber when turn signals are activated. Fits the GL1800 2001-2010 and F8C Valkyrie with original or chrome cowl with round cutouts. Plug N Play, includes hardware, lights, relay switch, wire harness and instructions. Mounts and installs to existing OEM pre-drilled holes and not the cowl. F8C Valkyrie – The running light functions but not the turn signal. Mean Lumens 420LM. Pair.

Part	Description
45-1860	GL1800 2001-2010
45-1860AB	GL1800 2001-2010 Airbag models
45-1850-R	Replacement Relay

GL18RFL LED Fog Lights with Running and Turn Signals \$299.95

The rectangular fog lights are an all-in-one design and include a single projector with High Definition optics and advanced LED fog lights. They also have a separate built in LED light with a switchback system allowing these LED lights to function as white daytime running lights (DRL) and change to an amber blinking turn signal when activated. Fits the 2012 and up GL1800, F6B and Valkyrie with new cowls and rectangular cutouts. Lumens: 90-450LM Amber/White. Pair.

LED Fog Lights \$299.95

These super bright LED driving lights will definitely light up the road ahead. The lights fit behind the cowl and go through the knock outs. The lens measures 3 3/4 inches in diameter. They are 12 volt, 6 watts and the LED has a lumen of 4500 cd and is amazingly bright. The unit is plug-and-play and comes with a relay and jumper plugs. If the relay is used the kit will function as OEM and the fog lights will turn off with the high beam. If the jumper plug is used, the fog lights will work with both low and high beam headlights. The lights have a clear lens and a beautiful chrome bezel encased inside the sealed light housing. All wiring, switches, hardware and instructions are included. Pair.

Part	Description
45-1850	GL1800 2001-2010
45-1850AB	GL1800 2001-2010 Airbag models

45-1850-R Replacement Relay \$9.95

Works on both 45-1850 and 45-1850AB.

18673-221A Xenon Blue Driving Lights Kit \$99.95

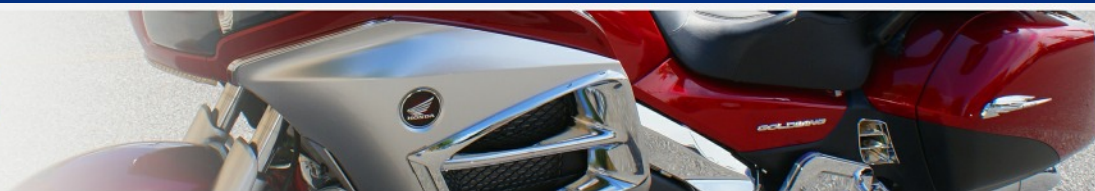

An economically priced driving light with 55 watt high output halogen bulbs, relay switch and wiring kit. The lights fit behind the cowl and add extra light to the road ahead. Fits the GL1800 but works best with cowls with a round cutout. Pair.

Replacement Parts:
KY-938-2LK Lights only, pair. \$65.95

01-H3 12V/55W Bulb
 \$9.95

GL1800

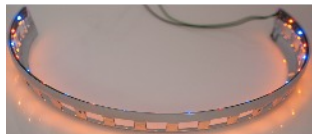

Front Fairing Halo

Chromed ABS trim fits under the headlights and front fairing. It will light up the inside area under the front fairing, top of the fender and forks with a halo of color from the 40 LED lights. It has a 10 inch lead wire and hardware to mount. Fits all GL1800. Single.

Part	Description	Price
45-1222H	Amber	\$ 39.95
45-1222RBH	Red Blue Amber	\$ 51.95

45-1222H

45-1222RBH

45-1231 Chrome LED Lighted Eagle Ornament A redesigned front fender ornament with LEDs to light the eyes and front of the eagle. The eagle has smoother lines and more pronounced features. Fits all GL1800s and many other large fenders with this curve. Measures 6 1/2 inches, front 1 3/8 inches, back 4 1/2 inches Single.

18260 Front Fender Fillers \$29.95

By V&P Ent and made in the USA. This polychrome plate fills the holes of the front fender to prevent dirt and water from coming through helping to protect the fender and paint. Uses self-adhesive tape to mount. Fits all GL1800 bikes. Pair.

Replacement LED Headlight Bulb Plug and play. Fits GL1800 and F6B. Works for both Low and High beam. Pair.

45-1621NU Timing Chain Cover with Eagle \$74.95

This beautiful eye catching chrome ABS timing chain cover comes with a detachable eagle emblem to provide access to the timing chain nut. Installs in minutes using thick adhesive tape. The removable eagle is held on with a very strong, industrial strength Velcro. Fits the Goldwing GL1800. Single.

Replacement eagle, Add On part

45-1621NU-E \$19.95

45-1621NU-E

45-1244 LED Front Fender Trim \$75.95

A one piece amber LED lighted front fender trim is made of chromed ABS and provides additional lighting for more visibility to the front and sides. There are eight super bright LED amber lights on each side encased in chrome. Easy to install with self adhesive tape, no drilling required and works as a running light. Fits the GL1800. Single.

45-1204 Chrome Front Fender Extension \$29.95

This tri-chromed front fender extension is 2 inches longer than stock providing extra protection for the front of the bike. Fits all GL1800 except airbag models. Single.

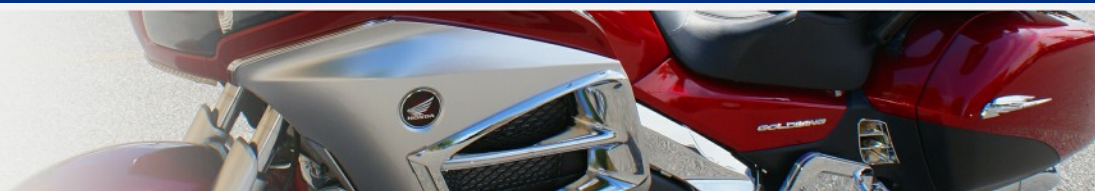

18269 Tunnel Filler \$19.95

These foam tunnel fillers fit around the top of the forks and prevent air flow onto the driver for a more comfortable ride during hot, cold or rainy weather. They also keep road debris from blowing up onto the driver. Made in the USA. Fits the GL1800 01-10. Pair.

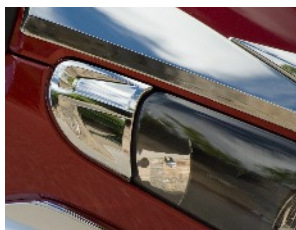

GL1800

45-1299 Chrome Headlight Contour Cover Trims \$45.95

This tri-chromed ABS accent goes over the OEM black contour areas at the rear of the headlights and follows the lines and curves of the bike. Installation is very easy using double sided tape and best of all, no disassembling to put them on. The chrome adds a nice touch onto the front of the bike. Fits the Goldwing GL1800 12 & up. Pair.

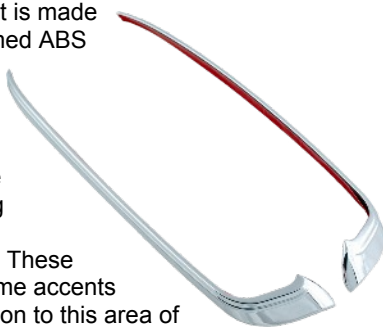

45-1207N Chrome Fairing Intake Grills \$34.95

These tri-chromed ABS grills add a touch of chrome and beauty to the outside fairing. Easy to install by just snapping in. Fits GL1800 01-10. Pair.

45-1298 Chrome Headlight Side Trims \$45.95

This accent is made of tri-chromed ABS and covers the lip that runs along the outside front fairing under the headlights. These small chrome accents add definition to this area of the bike and compliment other chrome pieces nicely. Easy to install with double sided tape. Fits the Goldwing GL1800 12 & up. Pair.

Chrome Headlight Contour Cover Trims with LEDs \$84.95

Headlight contour trims are chromed ABS and contain 8 LED lights for each side. When the lights are off, they appear to be a solid chrome piece. They easily mount over the OEM black headlight cover with self adhesive tape. The lights have dual function as running and turn signals. Fits the GL1800 12 & up. Pair.

Optional:

45-1299-W Wire Connector \$6.95 Connector to splice or tap two wires together. Snaps together for a secure hold. Made for 22-26 gauge wire. 10 Pack.

45-1299-W

45-1299ALED

45-1299WLED

Side Emitting LED Strip Lights \$60.95

Side emitting flexible LED strip lights are super thin and flexible making them perfect for a large variety of lighting applications. The unique right angle mounted LED's focus light at a 90° angle making them more visible. The waterproof lights each have 48 LEDs encased in a black soft flexible housing. Great for accents around headlights, along fairing edges, above motors and are a great fit into tight areas of the bike, trike or trailer. They can be cut for customized applications between the copper connectors. They measure 19 inches in length, 3/16 inches wide and less than 1/16 inch in depth with a 35 inch heavy duty gauge lead wire and uses 3M adhesive tape to mount. Single function light. Left and right pair.

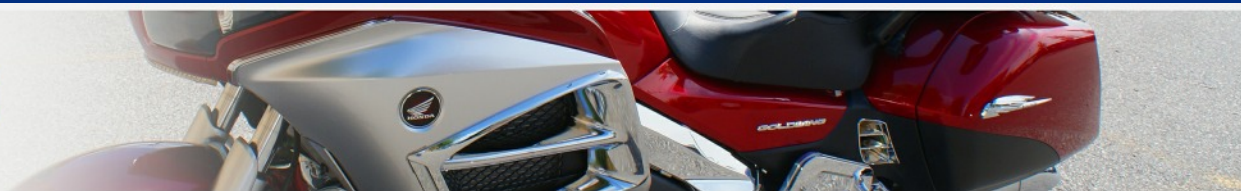

Part	Color
335A48	Amber
335B48	Blue
335G48	Green
335R48	Red
335W48	White

45-1205B Windshield or Front Fairing Garnish \$26.95

This amber LED strip light is both versatile and extremely flexible allowing it to be used in many places on a bike, trike or trailer. It contains 30 LEDs in a clear housing, measures 12 inches in length and has a 40 inch lead wire. The light can be connected together to obtain any length desired and uses self-adhesive tape to mount. The light has a two-wire function to work as a running, brake or turn signal light. Add On uses this light in the windshield vent and on the front fairing of the GL1800. Single.

GL1800

1801 Adjustable Wind Deflectors \$82.95

By V&P Inc. and made in the USA. This Lexan wind deflector fits most 12 inch standard windshields. Adjustable wing allows the control of air flow. Requires drilling to mount. Fits the GL1800. Pair.

20-64B2 Amber Windshield Edge Lights \$59.95

These lights add a glow of amber on the edge of the windshield making the bike more visible and easier to be seen at night. The light attaches with chrome channels and set screws at any desired part of the windshield. (May not work on aftermarket windshields.) Each kit has two strip lights containing 9 amber LEDs each, chrome channels measuring 5 inches with a 1/4 inch opening for the strip light and a 36 inch lead wire. Functions as a running light. Pair.

45-1294 Windshield Panel Accents \$124.95

These tri-chromed ABS accents will add a dramatic distinctive look to the bike. The part follows the contour of the windshield's outer edges while still allowing the color of the bike to be exposed. They also help to cover weather worn or damaged panels. Attaches with self-adhesive tape. This part can be used with other chrome accents like Add On Part 45-1295, Chrome Mask. Fits GL1800 12 & up. Pair.

45-1252N Windshield Vent \$51.95

This tinted replacement windshield vent has adjustable louvers and a lever to direct the flow of air on the driver. They fit in the GL1800 O.E.M. and many aftermarket windshields. Included are chrome bolts to give the part a finished look. Single.

45-1205-L Windshield Panel Light \$29.95

This amber LED light illuminates the opening vent in the windshield panel with 20 super bright LEDs adding additional light and visibility to the front of the bike. Fits GL1800 01-10. Single.

18273 Windshield Panel Light Reflector \$9.95

By V&P Ent. and made in USA of polychrome. Helps to enhance light reflection from any light in the windshield panel vent. Easy to install with self-adhesive tape. Fits the GL1800 01-10. Single.

45-1242 Chrome Windshield Vent Accent Trim \$40.95

This popular ABS tri chromed accent is a great way to add a touch of chrome to the windshield. This trim outlines the windshield vent and very easily attaches with self adhesive tape. Fits the GL1800 04 & up. Single.

LED Lighted Eagle Emblem

This unique modern looking eagle has 14 super bright amber LED lights and works as a running and turn signal light. The eagle has a slight curve to fit on many surfaces such as the windshield panel or trunk and uses self-adhesive tape to mount. Measures 7 inches x 2 inches. Single.

Part	Color	Price
45-1240LED	Chrome	\$69.95
45-1240GLED	Gold	\$79.95

45-1240LED

45-1240GLED

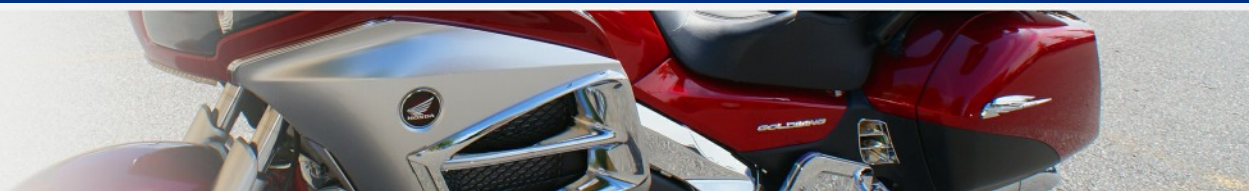

45-1295 Windshield Panel Mask Accent \$81.95

This tri-chromed ABS accent adds a dramatic look to the front face of the bike. The part follows the front contours of the windshield panel and still allows the color of the bike to be exposed. It also helps to cover weather worn or damaged panels and looks great with other chrome accents. Easy to install with adhesive tape. Fits the Goldwing GL1800 12 & up. Single.

GL1800

45-1698 Side Fairing Logo Accents \$104.95

These tri-chromed accents bring out the bike's great contours on the front fairing. The part completely encircles the bike logo so it is still exposed. Easy to install with adhesive tape. A perfect fit with Add On part 45-1696, chrome air intake accents. Fits the GL1800 12 & up. Pair.

45-1696 Chrome Air Intake Accents \$121.95

These tri-chromed ABS side fairing accents are gorgeous and stylish. They make the outside fairing really pop with chrome and follow the contours of the bike. They install with tape and silicone for a secure fit. Fits the GL1800 12 & up. Pair.

BP-2 Engine Plate \$52.95

Made of aircraft aluminum and includes stainless steel screws. The two piece design allows oil changes to be done without removing the cowl. Protects the underside of the bike and keeps it cleaner. The ram flow nose piece improves cooling. Fits the GL1800. Single.

45-1694A Chrome Logo Accent with Amber LED Side and Turnsignal Lights \$108.95

These chrome ABS pieces cover the area over the logo on the outside of the bike fairing. Each has 12 amber LED lights that work as running and turn signal. Use the OEM logo (not included) or any other piece for the center area. Easy to install, no drilling required. Fits the GL1800 12 & up. Pair.

45-1631 Chrome Radiator Grills \$94.95

These beautiful chrome ABS radiator grills are a great way to brighten up the sides of the bike. They are light weight and replace the OEM black grills on the bike. Fits the GL1800 06-10. Pair.

45-1637 Chrome Case Guards \$179.95

Chrome steel replacement case guards are beautiful and economically priced. They fit great and are a direct OEM replacement. A phenomenal price and great quality. Fits the GL1800s. Pair.

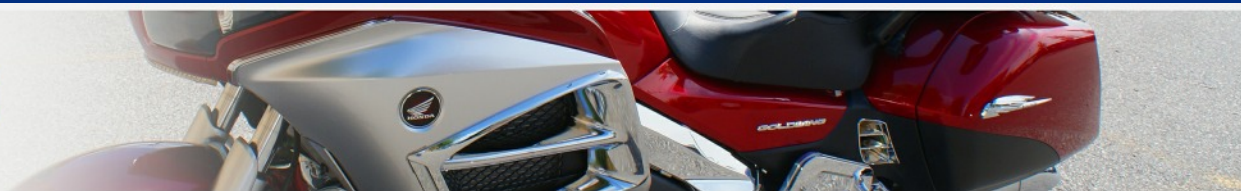

1804 Front Rain Deflectors \$79.95

Made by V&P Ent and made in the USA. Made of clear Lexan, these wind and rain shields protect the rider from the elements of rain, cold and road debris. The front deflectors are for use with highway boards. Fit all GL1800. Pair.

GL1800

45-1629NUA Predator® Grills \$45.95

These tri-chromed ABS grills are a beautiful addition to the side fairing. The 4 piece grill fits on the upper and lower center bar on the side fairing. The unique fin design is a real eye catcher and can be used alone or with Add On part 45-1629NUB chrome fairing air intake accents. Uses silicone and/or self adhesive tape to install. Fits the GL1800 01-10. Pair.

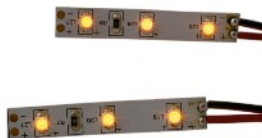

45-1629NUC Chrome Mesh Inserts Only \$59.95

Tri-chromed ABS inserts can be used alone or as replacement for Add On part 45-1629NUB, 01-10 Side Fairing Accents with Mesh Inserts. They come as a set of 4 pieces and are an easy way to have the look of a chrome radiator grill without the hassle of taking the bike apart. Installs with tape and/or silicone. Fits the GL1800 01-10. Pair.

45-1629LED Predator® Grills LED Light Kit \$22.95

Amber LED custom light kit was made to light up the air intake area with Add On parts 45-1269NUB and 45-1629NUD chrome fairing accents. Included are two strip lights with 3 LEDs each, measuring 2 inches long and 3/8 inch wide and installs with two-sided tape. The 36 inch lead wires can be wired into the running lights in the front mirrors or can be used on any part of a bike, trike or trailer. This is a special order part, when ordering other colors, minimum 30 day lead time. Universal fit. Pair.

45-1629NUB Chrome Air Intake Grills with Mesh Inserts \$171.95

These tri-chromed ABS accents completely cover the side fairing air intake grill giving the bike a bigger, bolder look with chrome. Included are 4 chrome mesh inserts giving the look of chrome radiator grills so there is no need to take the bike apart. Applies with silicone and/or self-adhesive tape. The optional light kit adds even more impact reflecting off the chrome, Add On part 45-1629LED. Fits the GL1800 01-10. Pair.

45-1629NUD Chrome Air Intake Grills with Predator Grills \$191.95

Tri-chromed ABS accents completely cover the side fairing air intake grill giving the bike a bigger bolder chrome impact. This eye catching combination of the 4 piece chrome predator grills, Add On part 45-1629NUA, and Add On part 45-1629NUB, chrome side fairing accent, gives an additional option for covering the air intake grills. Applies with silicone and/or self-adhesive tape. Fits the GL1800 01-10. Pair.

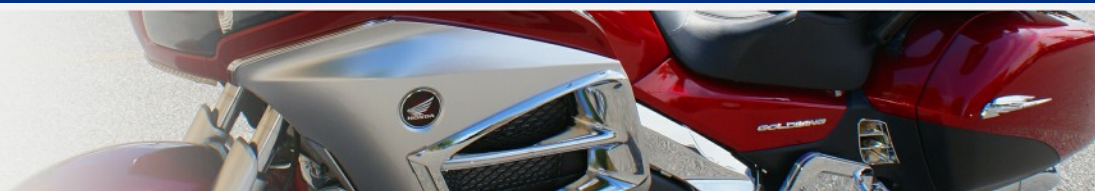

45-1611NUA Amber LED Side Light Kit \$75.95

Beautiful side lights contain 18 amber LED lights covered with a clear lens and encased in a chrome housing. They mount above the valve covers adding extra lighting to the side of the bike. Can be used as a running and turn signal light. Fits the GL1800 01-10. Pair.

GL1800

Adjustable Highway Boards and Pegs

These are die cast and chromed plated pegs and boards with chrome clamps and chrome mounting arms which attach to the case guards. The mounting arm has 7 possible positions for adjustment to meet the rider's comfort and will work on any 1 inch bar. Fold up feature moves them out of the way when not in use. Fits the GL1800 or bike with a 1 inch bar. Pair.

18548A Adjustable Highway Pegs \$218.95

18548C Adjustable Driver Boards \$319.95

18548D Adjustable Comfort Pegs with Heel Rest \$269.95

45-1620 Heel-Toe Shifter \$71.95

The tri-chromed bracket with shifter pegs mounts to the stock peg, for those who want the convenience of a heel toe shifter. Fits the GL1800. Single.

45-1620A Driver Board Set with Heel-Toe Shifter \$309.95

Tri-chromed heel/toe shifter with chrome driving boards add a sporty look to the bike as well as the comfort of the heel/toe shifter operation and a larger board for the feet. Easy to install. Fits the GL1800. Single.

Replacement Rubber Ring for Shifter Peg: Add On Part 38-11331-R \$2.95

45-1613 Adjustable Foot Peg Mounts \$169.95

These are beautiful universal chrome adjustable peg mounts and work on any 1 inch bar. They are adjustable to 7 positions to meet the rider's comfort needs. Includes mount, clamp and clevis. Used on Add On parts 18548A adjustable highway pegs, 18548C adjustable highway boards, 18548D adjustable highway peg with heel rest. Pair.

45-1612 Driver Boards \$189.95

Chrome driver boards have rubber inserts and provide a wider foot surface for a more comfortable ride. Boards are made of billet aluminum. These boards are universal in use and when used with the appropriate hardware, there are many combinations of highway board sets that can be made. Used for Add On parts 45-1620A driver boards set with heel toe shifter and 18548C adjustable highway boards. Fits the GL1800. Pair.

45-1607 Driver Foot Peg Brackets \$114.95

Tri-chromed brackets replace the dull gray brackets to add a nice chrome accent to the bike. Uses OEM hardware to install. This part is also used with Add On part 45-1620A driver board set with heel toe shifter. Fits the GL1800. Pair.

Rain Deflectors \$82.95

Made by V&P Ent. and made in the USA. Lexan rain deflectors snap onto the case guard to provide foot protection from the rain and road debris. Easy to install by just snapping onto the case guard. Pair.

1803

45-1256 Chrome Fairing Air Vent \$69.95

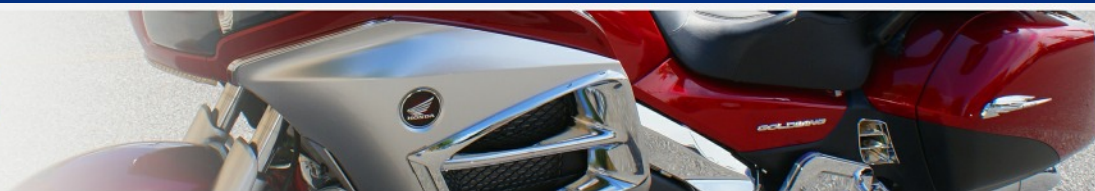

Dress up your bike with these beautiful tri-chrome ABS air vents that fit on the lower inside fairing. They replace the O.E.M. black vents on the bike and the adjustable louvers allow for air flow adjustments. Easy installation by just snapping in. Fit the GL1800 01-10. Pair.

1805

These beautiful tri-chromed ABS covers are replacements for the OEM covers on the bike. They have a unique design to give them definition and style. Fits the GL1800 12 & up. Pair.

45-1632 Side Cover Accents \$44.95

These tri-chromed ABS accent pieces are made to fit around the "Gold Wing®" emblem. They are a great chrome addition to the side of the bike, being beautiful as well as practical. They can also help protect or cover the side from damages or scratches. Easy to install with self-adhesive tape. Fits the GL1800 01-10. Pair.

45-1804 Saddlebag Scuff Covers \$81.95

Tri-chromed ABS scuff covers replace the black OEM covers on the bike. They look great used alone or with other chrome pieces for the bike such as Add On part 45-1844 saddlebag scuff cover inserts. Easy to install. Fits the GL1800 01-10. Pair.

45-1804B Saddlebag Scuff Covers with Inserts \$131.95

This chrome ABS saddlebag scuff cover set combines both the chrome saddlebag inserts, Add On part 45-1844 and chrome saddlebag scuff covers, Add On part 45-1804 for price and convenience. The two work perfectly together and add a great chrome accent to the bike! Fits the GL800 01-10. Pair.

45-1617 One Piece Frame Covers \$125.95

This tri-chromed ABS piece replaces both the dull gray pivot and frame cover making one complete smooth chrome accent. Included are round rubber inserts, Add On part 45-1606-R, Fits the GL1800. Pair.

45-1606-R Rubber Inserts \$3.95

Round rubber inserts use self-adhesive tape to mount. Pair.

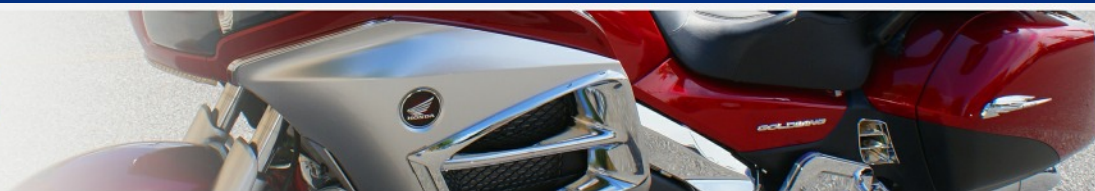

18541 Chrome Passenger Floorboard Risers \$69.95

These tri-chromed risers will raise the passenger boards 1 1/2 inches to provide the passenger with the ability to change the position of the board height for a more comfortable ride. Fits all Goldwing GL1800s. Pair.

GL1800

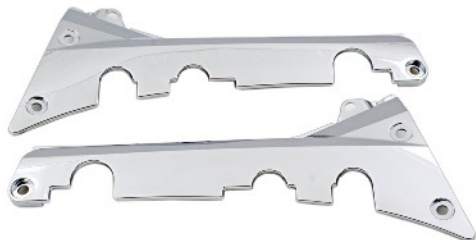

45-1601 Chrome Passenger Floorboard Under Plate \$38.95

These tri-chromed ABS underplates replace the dull gray bottoms on the passenger boards adding a great chrome accent when the boards are folded up. Add eagle emblems for a great show bike look. Easy to install. Fits the GL1800. Pair.

45-1603 Passenger Floorboard Step Covers \$61.95

Tri-chromed ABS step covers replace the dull gray covers behind the passenger floorboards. Create a complete chrome look for this area of the bike or cover up scuff marks. Fits the GL1800. Pair.

18SS2 Passenger Adjustable Foot Pegs \$156.95

The tri-chromed and rubber foot pegs provide a more comfortable ride for the passenger with a two position adjustment to rest the foot. They mount between the bike and board and when in the down position the peg sits behind the passenger's boards and out of the way. They will not work if passenger floorboard risers have been installed and will not work on bikes that have been converted to trikes. Fits the GL1800. Pair.

Accessory Switch Kits and Components

Accessory kits provide additional control of lighting and accessories on the bike. They are a convenient way to have control at your fingertips. Each kit consists of a combination of rocker switches, meter and chrome ABS plates. All kits include a wire harness and instructions. Drilling is required to install the units. Fits all GL1800s or on any flat surface.

18187 Economy Accessory Light Kit \$24.95

Includes: 4 lighted switches and wire harness.

18188 Digital Voltmeter and Accessory Switch Kit \$45.95

MK-D Driver Mugger Drink Holder \$19.95

The economical drink holder is designed to attach to the handlebar clamp screws with a chrome ABS mounting bracket. The drink holder swivels to prevent drinks from spilling and the holder folds-up when not in use. Holds a 12 ounce drink can with adjustable arms. Black. Fits the GL1500 and GL1800. Single.

15503D Drink Holder Mount \$21.95

This is a tri-chromed universal mount which attaches to the master cylinder. There are a variety of holes to allow for the attachment of drink holders, electronics and other items to put at your fingertips. Single.

H1511 Left Hard Pocket \$57.95

This hard cover replaces the soft left fairing pocket on the GL1500. Made of sturdy plastic, it includes a latch to secure the door and keep items from falling out, providing additional protection for your valuables. An Add On exclusive part. Fits the GL1500. Single.

15673-121 Right Glove Box Accent \$32.95

A tri-chromed ABS accent fits over the right glove box and is a great way to dress up the front dash area of the bike. Uses self-adhesive tape to mount. Fits all GL1500s. Single.

15673-235 Chrome Radio Knobs \$25.95

Set of ABS chrome radio knobs with indicators to replace the black knobs and add nice accent to the dash of the bike. Use original clips for installation. Fits all GL1500s. Set of 5.

GL1500

15673-134 Front Speaker Grills \$46.95

Dress up your GL1500 with these beautiful Add On designed chromed front speaker grills. The chrome outlines the outer edges of the speaker with a single chrome bar across the middle. To enhance their appeal, there are optional eagle emblems added to give a show bike appearance to the grills. Mounts with self-adhesive tape. Fits all GL1500s. Pair.

15673-148 Head Light Adjustment Knob \$12.95

Chromed ABS knob replaces the OEM knob. Fits all left sides GL1500 88-00 and the right side on the GL1500 SEI. Single.

15673-123 Air Vent Accent \$15.95

This chrome accent fits around the air vent and comes in pairs. Uses self-adhesive tape to mount. Fits all GL1500s. Pair.

15673-159A Fuel Door Accent \$21.95

This chrome accent outlines the fuel door with a 3/4 inch of chrome trim adding to the classy look of the bike. Uses self-adhesive tape to install. Fits all GL1500s. Single.

45-8541 Key Switch Accent \$13.95

Tri-chromed ABS key switch accent completely replaces the OEM switch. It is an inexpensive way to dress up the dash area on the bike and it helps protect the key area. Easy to install by twisting out and and securely locking in place. Fits all GL1500s. Single.

45-8531 Fader Control Knob \$7.95

Tri-chrome replacement fader control knob replaces the factory black knob on the bikes. Fits GL1500 SEI 92-00. Single.

45-8538 Radio Accent \$29.95

This beautiful chrome accent covers the radio panel making a great chrome addition to the dash area of the bike. Uses self-adhesive tape to mount. It can be paired with Add On part 45-8539, chrome cassette door latch accent for a complete look. Fits the GL1500 88 to 95, except the SE or Interstate. Single.

15673-159B Dash Side Accents \$38.95

These chrome accents run along the left and right side of the radio and add a nice touch of chrome. Installs with screws and self-adhesive tape. Fits all GL1500s. Pair.

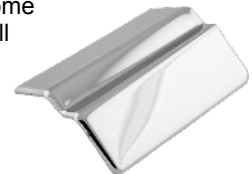

15673-159C Dash Accent \$19.95

This 2 piece tri-chromed accent outlines the area of the bike below the ignition key. Adds a great touch of chrome to the dash area. Uses self-adhesive tape to install. Fits all GL1500s. Single.

45-8539 Cassette Door Accent \$14.95

The chromed accent piece fits over the cassette door latch on the GL1500. Easy to install with self adhesive tape. Works nicely with Add On part 45-8538, radio panel accent. This can be used alone or with other chrome accents. Fits all GL1500s. Single.

GL1500

15673-817K Black Driver Backrest \$219.95

Side mounted backrest provides a comfortable ride for the driver. It has a tubular mounting bracket with side arms that allow the backrest to adjust by moving it forward or back and has a fold down pad. Comes with chrome loop, black backrest pad with permanently attached storage pouch and hardware to mount. Fits all GL1500s. Single.

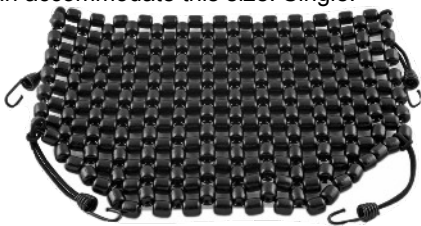

45-1706-K Chrome Adjustment Knob \$17.95

45-1706R Nylon Compression Ring \$3.95

678-034B Black Beaded Seat Cover \$29.95

The black beaded seat cover will give the rider a more comfortable ride by allowing air to circulate between the user and the seat to help keep you cooler in hot weather or dryer when it is raining. It is one inch larger than any others on the market and the rounded beads make long distant travel more enjoyable. Easy on and off with a bungee cord system. Measures 11 inches x 16 inches. Fits the GL1500 and GL1800 driver seats and can fit many other seat styles that can accommodate this size. Single.

15673-629 CB Antenna \$109.95

CB radio antenna works on all the GL1500's and comes complete with all the mounting hardware. Comes with a fold down feature to make it easier to store the bike or cover. Single.

Part	Description	Price
18673-629AA	Antenna Tip Only	\$5.95
45-1810-A/D	Antenna Tip and Staff	\$48.95

This tri-chrome ABS accent adds protection as well as beauty to the bike. The chrome headlight bezel incorporates a grill to add style to the front of the bike. A great way to keep your older bike looking new. Fits all GL1200. Single.

GL1200 Replacement Mirrors \$54.95

This is an OEM mirror replacement with black housing and silver matte finish backing plate. Fits the GL1200 85-87. Single.

Part	Description
823-145C	Left Mirror
823-146C	Right Mirror

423-262A 7 Inch Headlight Visor \$26.95

Tri-chromed visor adds protection and a great chrome accent to the front of the bike. The visor is plain and has a curved design. Fits GL1100 and any 7 inch headlight. Single.

1601 Winglets \$81.95

By V & P Inc. and made in the USA. This is a clear adjustable wind deflector made of Lexan and attaches to the outside edge of the windshield. Measures 13 inches in length. It requires drilling to install. Fits the 1200 and GL1500. Pair.

733-463A Chrome Mirror Backs \$36.95

The mirror back accents have a silver matte finish to replace the weather worn accents and help make your classic bike look new again. They mount with self-adhesive tape. Fits the GL1200. Pair.

673-226A Side Cover Rails \$34.95

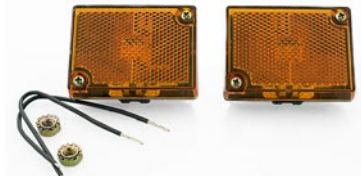

These tri-chromed rails wrap around the Gold Wing emblem on the side covers to add style and protection to the bike. Fits the GL1200 and GL1500. Pair.

114A Amber Side Marker Lights \$16.95

The amber light will add more visibility to the front fairing or can be used as marker lights. Fits the GL1100 Interstate and Aspencade only. Pair.

Replacement parts:
01-53 Bulb, Single, \$0.98
55-15A Amber Lens, Single, \$2.95

18-625A LED Side Marker Light \$42.95

Replace the reflector on the caliper with this LED amber light. Fits the GL1200 84-87 and GL1800 Caliper Cover Light. Pair.

Optional:
45-1100 Reflector Grills Pair, \$14.95
423-161AL Amber Lens Pair, \$4.95

GL1200-1000

393-540 GL1000-GL1100 Driver Floorboards \$214.95

Driver floorboards with heel-toe shifter and brake pad make riding your classic wing more enjoyable. Set includes chrome mounts, floorboards with rubber mats and all the hardware and instructions to install. Fits the GL1000 and GL1100. Pair.

MC298 GL1200 Driver Floorboards \$519.95

By MC Enterprises. These driver floorboards come with chrome mounts, rubber mats, heel and toe shifter, and all the hardware and instructions to install. Fits the GL1200. Pair.

45-8720 Shifter Pad \$9.95

A tri-chromed replacement driver floorboard shifter pad has a black rubber insert. The pad also has universal applications with a screw mount. Single.

293-302 Chrome Kickstand Extension \$9.95

Tri-chrome kickstand extension makes it easier to lift or put down the kickstand. Fits any O.E.M. kickstand for the GL1000, GL1100 and GL1200. Single.

393-304A Chrome Kickstand \$59.95

Tri-chromed kickstand has a larger and wider foot for a more stable side stand and replaces the OEM kickstand. Includes chrome spring and bolt. Fits the GL1000, GL1100 and GL1200. Single.

673-139 GL1200 Carburetor Tops \$34.95

Tri-chromed carburetor top covers replace the dull gray weather worn top covers on your bike. Gives new life and keeps your older bike looking new. Fits the GL1200s. Pair.

293-303 Kickstand Spring and Bolt Kit \$6.95

A replacement chrome plated spring and bolt for the kickstand. Fits the GL1000, GL1100 and GL1200. Pair.

HST-2 Replacement Side Cover Studs \$36.95

Made in the U.S.A. Replacement studs for Honda street and touring bikes. Two studs measuring about 2 3/4 inches in length and 9/16 inch diameter. Easy to cut or file to size. Adhesive is included. It is recommended to replace old grommets. Pair.

8265-S J-B Weld only \$7.95 Single.

HST-2A Studs Only \$26.95 Pair.

GL1200-1000

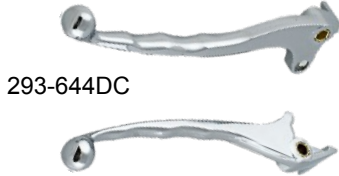

17-7503 Fairing Wind Deflectors \$59.95

Adjustable fairing wind deflectors have single smoke wings, chrome mounting brackets and hardware to install. They attach to the fairing trim edge and require drilling to install. Allows the driver to adjust the air flow for a more comfortable ride. Fits GL1100 and GL1200s. Pair.

Chrome Levers Tri-chromed brake and clutch levers replace the OEM levers on the bike. Pair.

Part	Descriptions	Price
293-644DC	GL1200 84-87 Interstate and 84-86 Aspencade.	\$26.95
293-646DC	GL1200 84-87 Limited Edition, Special Edition, 87 Aspencade and GL1500 88-89.	\$23.95

293-644DC

293-646DC

Grips Tri-chrome grips offer a more comfortable ride providing a cushioned hand hold. Each fits all the Goldwings. Pair.

Part	Description	Price
45-1243 NOVIBE® Comfort Grips	Cushioned rubber rings encircle the entire grip. Fits any 7/8 inch grip with or without the damper. Comes with interchangeable grip ends and hardware to adapt to different bikes.	\$99.95
393-617R Rail Grip	Die cast rail grips have soft rubber inserts with chrome overlay. 150 mm x 7/8 inch.	\$35.95
393-617RH Road Hawk Grips	Soft black foam with chrome end caps embossed with a chrome eagle emblem and red "Roadhawk". Fits any 150 mm x 7/8 inch bar.	\$22.95

45-1243

393-617R

393-617RH

798-162 GL1000-1100 Handlebar Clamp \$25.95

The tri-chromed die cast handlebar clamp includes an eagle emblem. This is a great accent for the older bikes to make them look new again. Includes chrome hardware for mounting. Fits the GL1000 and GL1100. Single.

793-204S Master Cylinder Top Cover \$19.95

Tri-chromed master cylinder top cover comes with a gold eagle emblem. It uses the original screws to mount or use Add On part 57-1097CG-S, chrome screws, sold separately. Fits the GL1200 and GL1100 82-85 without diaphragm. Single.

57-1097CG-S Chrome Screws. Pair. \$1.95

57-1097CG-S

673-824 Tape Deck Accent \$12.95

The chrome accent goes around the tape deck. Make the classic bike look new again. Fits all GL1100. Single.

45-1237HGR Rist Rest® \$24.95

The chrome ABS Rist Rest® works with heated grips as well as non-heated grips. It is an extra large 2 1/2 inch rest with rubber insert. The Rist Rest® has elongated slots to make it adjustable to fit most 4 screw end cap replacement grips including the heated grips on the GL1800. They come with longer screws and an Allen wrench for easy installation. Fits right side only. Single.

GL1200-1000

673-133 GL1200 Speaker Accents \$39.95

Tri-chromed front speaker grills have center vertical slots and side cutouts. They brighten up the dash with chrome and add newness to the wing. They mount with self-adhesive tape. Fits the GL1200. Pair.

673-137 GL1200 Fuel Door Accent \$24.95

The tri-chromed fuel door accent adds a great flash of chrome to the tank. A great chrome addition to keep your older bike looking new. Fits the GL1200. Single.

IRC871 Radio Bezel \$41.95

The radio bezel has a universal fit to work on most aftermarket radios. Drilling is required to mount and hardware is included. Measures 11 7/8 inches L x 2 7/16 inches W x 1 9/16 inches H; radio opening 7 3/16 inches L x 2 1/8 inches W; and center hole to center hole is 1 11/16 inches for drilling. Fits the GL1200 Interstates or radios fitting these dimensions. Single.

673-165A GL1200 Handlebar Clamp \$47.95

Tri-chromed ABS handlebar clamp cover replaces the worn out, weather beaten covers with new chrome. It includes two insert panels to accommodate use on both the Interstate and Aspencade models. Fits the GL1200 Interstates and Aspencades 85-87 but does not fit the GL1200 LTD or SE-I models. Single.

678-021 Helmet Stud \$7.95

This tri-chromed stud screws into the unused 10 mm mirror mounting hole on most motorcycles. A convenient piece, it helps to temporarily hang the helmet or other items when the bike is parked. Fits the GL1100 and GL1200. Single.

373-102 Swing Arm Caps \$19.95

Tri-chromed steel caps come with an eagle emblem and add a nice chrome accent to the swing arm on all GL1100 and GL1200 bikes. Pair.

Drink Holder The fold up drink holders can accommodate a 12 ounce drink can and attach with chrome ABS mounting plate. Hardware is provided. Single.

Part	Description	Price
MK-D	Driver Mugger attaches to the master cylinder	\$19.95
MK-P	Passenger Mugger attaches to the armrest	\$19.95
15503D	Universal Mount attaches to the master cylinder and also holds other devices	\$21.95

132-205A GL1200 Turnsignal Light Kit \$40.95

Converts the trunk side lights into a turn signal and running light. The kit contains mounting hardware and both amber and red lenses to give the option of corner light color. Fits all GL1200s. Single.

01-1821-1 Replacement bulb 15W \$.98

GL1200-1000

Black Driver Backrest \$215.95

The black backrest provides a more comfortable ride for the driver. The backrest pad is adjustable and can fold down. Comes with chrome loop, black backrest pad with permanently attached storage pouch and hardware to mount. Fits the GL1200 and GL1100. Single.

Part	Fitment
673-816K	GL1100 Driver Backrest
673-817K	GL1200 Driver Backrest
673-818K	GL1100 Passenger Armrest
673-819K	GL1200 Passenger Armrest

GL1100 Armrest 673-818K

GL1200 Armrest 673-819K

Black Passenger Armrest \$189.95

The black armrests provide a more comfortable ride for the passenger. The fold down feature allows easy access on and off the bike. Comes with chrome mounting brackets, thick black pads measuring 10 inches x 5 inches x 3 inches and hardware to mount. Fits the GL1100 and GL1200. Pair.

GL1100 Backrest
673-816K

GL1200 Backrest
673-817K

673-134 Chrome Horn Covers \$31.95

These tri-chromed steel horn covers have a slotted design to provide protection to your horns. Keeps your older bike looking new. Fits the GL1000, GL1100 and GL1200. Pair.

673-134A Chrome Horn Cover \$15.95

Same as above but fits the Valkyrie. Single.

424-062A Antenna Relocation Bracket \$7.95

The relocation bracket moves the antenna down and out of the way when adding a trunk light bar to the trunk. Fits the GL1100 and GL1200. Single.

678-836 Replacement Trunk Rack Kit \$9.95

The universal trunk rack kit can be used for mounting luggage racks or rails on any bike, trike or trailer. The set has 4 each of 3/4 inch washers, 3/4 inch dome washers, 1 1/4 inch Allen head screws and 8 3/4 inch rubber pads. 4 pack.

Trunk Lid Handle Tri-chromed handle fits the trunks of the GL1200, GL1500, trailers and most other trunk lids with these lengths. Drilling is required to mount. Single.

Part	Description	Price
670-013B	17 Inches - with black foam covered handle for comfort in any weather	\$50.95
15993-197A	7 1/2 inches	\$25.95

45-1706-K Replacement Backrest Chrome Knob \$17.95 Fits GL1200.
45-1706R Replacement Nylon Compression Ring \$3.95 Fits GL1200.

673-629 Type 3 Radio/CB Antenna \$49.95

This is a quality OEM replacement type 3 radio and CB antenna. It can be used on both sides of the bike. Fits the GL1100 and GL1200. Single.

673-629AA Replacement tip only \$9.95

673-815 Trunk Rack \$99.95

Tri-chrome tubular bar design trunk rack, includes two tabs for mounting flag poles or bungee cord hooks to secure parcels on the rack. Measures 22 inches wide x 12 inches deep x 2 1/2 inches high. Fits the GL1100 and GL1200 and other bikes and trikes that accommodate this size rack. Single.

993-190 Trunk Relocation Kit \$59.95

The chrome kit relocates the trunk by moving it back to give the passenger more room behind the driver. The bracket allows for 3 different positions for moving the trunk from 1 inch to 2 13/16 inches. Fits the GL1100 and GL1200 except for the 82 model. Single.

GL1200-1000

993-184 GL1200 Saddlebag Bent Rails \$54.95

The tri-chrome rails bend over the front of the saddlebags to provide protection and add a great chrome accent. Drilling is required to mount. Measures 16 inches end to end with 13 inches sitting on top of the bag. The double rails are 3 1/4 inches apart. Fits the GL1100 and GL1200. Pair.

993-181 GL1100 and GL1200 Trailer Hitch \$159.95

The trailer hitch is made of steel, has a chrome plate to hold the ball and includes all necessary mounting brackets and hardware to mount on bike including a 1 7/8 inch chrome trailer ball. Fits the GL1100 and GL1200 except for the 84 and 85 Aspencade which needs a modification to the bracket. Single.

Replacement Parts
993-181A Chrome 1 7/8" Trailer Ball \$22.95
673-181 Chrome Trailer Ball Cover \$11.95

993-181A 678-181

673-823 Saddlebag Reflector Light \$41.95

This light replaces the reflector on the rear and side of each saddlebag and converts them to running lights. Three are required for a complete replacement or replace just the rear reflector or just the saddlebags. Fits the GL1200. Single.

01-194 Replacement 3W Bulb \$.98

01-194

1157R Pathfinder High Performance LED Red Replacement Bulb \$20.00

Direct replacement for the 1157 bulb for applications such as turnsignal. Single filament, 450 lumens. Plug and play. Fits the GL1500. Single.

LED Running and Brake Light Bulb \$19.95

Updates the 1157 bulb on older bikes to make them LED. Dual filament. Special order. Single.

AUDIO

Elite Series Headsets New elite series headsets are top of the line from J&M. The headset comes with hi-intensity mount-in-helmet speakers available in 2 sizes, both 40mm ultra-slim & 45mm large diameter custom, for installation into most motorcycle helmets. The extra hi-output AeroMike® VI are new and are the latest version to provide the very best combination of wind & ambient noise cancellation with an even stronger output signal in the human voice frequency range. The Z-series connection cords are molded using the highest grade copper wire available, together with all stainless steel pins, to provide 5-10 year durability. The UPPER Section cord (only) is included with all elite 787 headsets, allowing the rider to choose the correct lower section hook-up cord applicable to their motorcycle audio system. These will easily connect to all factory audio systems using correct lower cord. Proudly made in the U.S.A. *(**Check availability, some headsets and cords are special order parts.)*

J&M's Bluetooth Headsets The audio performance will rival that of the best corded headsets. Unit features the CSR BluecoreV enhanced data rate (EDR) Bluetooth module, for easy pairing to most Bluetooth enabled audio devices; Smartphone, Cell-Phone, Bluetooth enabled GPS, MP3, iPod music devices etc, along with custom dongles for connection to certain portable FRS radios. Multifunctional software package includes an embedded FM stereo receiver, standard Bluetooth profiles of HSP, (Headset Profile) HFP, (Hands Free Profile), A2DP (Advanced Audio Distribution Profile) & AVRCP (Audio/Video Remote Control Profile), along with the J&M exclusive helmet to helmet intercom profile. Up to 3 headsets can be paired together at distances of up to 500 meters. (An unlimited number of bike-to-bike intercom connections are available, at distances of up to 1.5 miles, when headsets are linked to Bluetooth enabled FRS portable radios). Built-in 3.5 mm stereo output jack. Uses rechargeable Lithium Ion/Polymer power cell providing 9-13 hours of use from a full charge.

Any technical questions regarding J&M parts can be called directly to J&M 1-800-358-0881. All returns direct to J&M.

All J&M Bluetooth sales are FINAL. All are special orders.

CGBH-GL18 Bluehub Bluetooth Cell/Smart phone/GPS /RadarBeep Terminal \$699.99

NEW Custom made and totally new J&M BluHub® Bluetooth terminal will integrate a Cell-Phone, Smart-Phone, Bluetooth enabled GPS unit and/or specific Radar-Detectors with the driver's (only) J&M or Honda brand corded helmet headset. A totally plug-n-play Bluetooth cell-phone integration solution for all years of the Honda GL1800 or F6B.

Replacement Headset Pigtail This replacement headset pigtail comes in handy when one of the factory units wears out and is applicable for all years of the Honda GL1500 and GL1800/F6B. Direct plug in with no modifications, it uses a heavy-duty female headset plug. Dust cover included.

JMDM-GL18E Digital Music Player USB/Aux/Bluetooth® for 2001-2010 GL-1800 CD Input \$179.99

Digital music player from J&M will plug directly into the CD selected music input plug on all 2001-2010 Honda Gold Wing audio systems, replacing the Honda CD changer, at a fraction of the cost. Store and play up to 550 MP3 song tracks (MP3, WMA or WAV) on a single USB Thumb drive, and toggle thru songs on existing handlebar audio system controls. Link by Bluetooth® your smartphone or Garmin® Zumo to the player and your smartphone stereo media or navigation commands will stream and automatically prioritize OVER whichever music files are being played from the USB Thumb drive at the time. Direct under-seat plug-n-play harness Note: If you wish to use the XM satellite radio feature of your audio system, with this digital music changer, you will need J&M part JMDM-ADT-GL18.

JMDM-GL18E

JMDM-ADT-GL18 XM-Sat/Digital Music Adapter/Switch Kit 2009-2010 GL1800 \$99.99

For model years 2009-2010 GL1800, if you wish to use the XM satellite radio feature of your audio system, in conjunction with the JMDM-IPBT-GL18, JMDM-IPAX-GL18, or JMDM-GL18 digital music changer, use this adapter harness/switch kit. This harness kit will allow you to switch back and forth between XM satellite radio and the J&M digital music player/changers, without the two audio sources mixing together. Simple plug-n-play installation.

JMDM-ADT-GL18

JMDM-IPBT-JCB03 Digital Music/iPod/Bluetooth Player JMCB-2003E/K for -B w/adapt \$299.99

Stream music videos down off of You-Tube with your favorite Smartphone, also stream stereo music down off of Pandora and/or your SmartPhones's own internal music files, and direct them by Bluetooth into the JMCB-2003, thru J&M's Bluetooth enabled digital music controller. A Smartphone or Garmin Zumo can also be linked by Bluetooth to the J&M music controller, while an iPod is simultaneously connected by wire, and when a navigation command or cell phone call is received, it will automatically interrupt the iPod music signal into the system. When initiating or answering a cell phone call on-screen, the rider and/or passenger can talk over the cell phone using the very same J&M corded headsets already connected to the JMCB-2003, that are normally used for CB and intercom functions. This digital music controller is designed to plug right in to the JMCB-2003E/K models and will also work with the earlier JMCB-2003B model systems, with the #JMDM-ADT-JCB03 adapter, as an extra cost item. This controller wiring harness also provides for direct plug-n-play of the custom J&M CFRG type radar detector adapter harnesses, (extra cost item) for automatic radar beep alert into one headset speaker, along with a power/ground source connection for a Garmin Zumo. This digital music controller Bluetooth/Smartphone/iPod kit includes all direct plug-n-play harnesses for the JMCB-2003E/K audio system, wired extension cable for iPod, 3.5mm aux extension cable, and a complete installation, operation & easy to use Bluetooth linking instruction manual. Important Note: This J&M digital music player with Bluetooth is NOT completely weather resistant, much like cell phone, so it is important during the installation that the unit control head be mounted & stored in some type of compartment or pouch on the motorcycle, so that it is not exposed to significant amounts of moisture, as water damage is not covered under the warranty for this item.

JMDM-IPBT-JCB03

a

JMDM-ADT-JCB03 Adapter Harness for Connecting JMDM-IPBT-JCB03 to JMCB-2003B Models

This simple plug-n-play adapter cable will connect the new #JMDM-IPBT-JCB03 digital music/iPod/Bluetooth player to the early model JMCB-2003 and JMCB-2003B audio systems.

JMDM-ADT-JCB03

CBHM-GL1815 CB Hand Mike Kit \$129.99

This CB hand microphone kit is for the 1988-2016 Honda Gold Wing GL1800 or GL1500. Once installed, the included female headset pig-tail jack with dust-cover, will accept either this specific J&M CB hand mike, or the standard 5-pin lower cord connection from a J&M, Honda or other brand compatible helmet headset. Comes with black powder coated, stainless steel handlebar mounting bracket & mounting hardware, with heavy-duty mike clip. Has plug-n-play wiring harnesses compatible with all years of the GL1800 or GL1500.

AUDIO

JMCB-2003 — The world's first, all-in-one, handlebar-mounted, motorcycle audio system!

Features a 40 channel CB radio, NOAA weather band, rider/passenger intercom and stereo music amplification from any portable/MP3-type/I-pod music device. Mount it to your left handlebar with the proper **bracket kit**, connect the headset/power harness to your bike's electrical system, (choose between **solo or rider/passenger kits**) install the **license plate mounted CB antenna**, (or any other properly tuned CB antenna) plug in your favorite **J&M dual-mode helmet headset/headsets** and you are ready to go. **Special Order**

Important Note: The JMCB-2003 is a J&M 6-pin audio system that requires the pre-amplified microphone signal provided by Dual-Mode (ECD/ICD/BCD/CD prefixed) helmet headsets along with the **HC-ZJM** or **HC-PJM** lower section hook-up cord.

Stereo Music/CB /Weather Radio Audio Sys Solo Operation

Kit includes the JMCB-2003K radio head unit, new deluxe solo headset hook-up harness (for one headset only), switchable power supply/noise filter, weather cover, cable tie straps, hardware and a complete installation and operation manual.

LUGGAGE/TRAVEL

45-6965B Rain Seat Cover \$46.95

The black seat cover has an elastic edge to fit snugly over the OEM driver seat, passenger seat and passenger backrest. It is made of polyester, is UV and water repellent and is colorfast grade 4. The compact size makes it perfect for traveling and includes a carrying case. Works with or without the side mount driver backrests. This black rain seat cover measures 21 inches x 12 inches x 12 inches. Fits the GL1800s. Single.

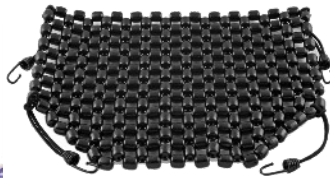

020-1808 Folding Trunk Bag \$49.95

The folding rack bag is convenient for any type of traveling. To open, unzip and unfold to reveal a large bag that provides lots of storage room and then conveniently folds and zips down to easily stow away. The bag is made of 400 Denier nylon. When folded, it measures 13 inches x 8 1/2 inches x 3 1/2 inches and unfolds to a big measurement of 21 inches x 12 inches. Fits on most trunk racks. Features Velcro attachments, zipper closures, deluxe handles, side pockets, shoulder strap and rain cover. Single.

678-034B Black Beaded Seat Cover \$29.95

The black beaded seat cover gives a more comfortable ride by allowing air to circulate. It helps to keep you cooler in hot weather or dryer when it is raining. The larger size and rounded beads make long distance travel more enjoyable. Easy on and off with a bungee cord system with coated hooks. Measures 11 inches x 16 inches. Fits the GL1500 and GL1800 driver seats and can fit many other seat styles. Single.

020-1800 Luggage Liner Set \$90.95

Made of black 400 Denier nylon and features zipper closures, velcro flaps, storage pocket and handles. Set consists of 2 saddlebags liners measuring 13 1/4 inch x 21 inches and 1 trunk bag measuring 13 1/4 inch x 22 inches. Fits all GL1800s.

020-1806 Deluxe Cooler Rack Bag \$50.95

Black insulated bag fits onto a cooler rack with bungees. Measures 16 inches x 10 inches x 11 inches. It features a rear storage zippered pocket with a 2 inch x 15 inch reflective strip, easy access pouch on the top, a full zipper top, and shoulder strap for carrying. Folds down for easy storage. Single.

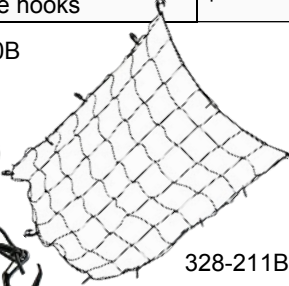

Bungee Nets Heavy duty black nylon nets come with rubber coated hooks. Single.

E88-6116 Signal Magic \$19.95

Stuck at red lights waiting for the signal to change? This strong magnet will help identify your bike at a traffic light when there is an inductive loop system in the road to cause the lights to change. Will not harm on-board electronics. Measures 4 1/8" x 9/16" x 1/2". Mounts with 3M adhesive tape and wire ties. Works on any bike or trike. Single.

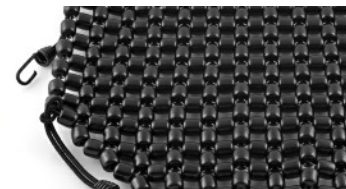

1035 Take Off Banner \$1.95

"REMOVE BEFORE TAKE OFF" This is a must for safety and an easy reminder for the driver to unlock the bike before driving off. This day-glow yellow banner measures 18 inches x 1 3/4 inches. Single.

LUGGAGE/TRAVEL

By Dowco® Bags and Covers

50125-00 Main Bag \$142.95

The main bag is the largest luggage bag in the Iron Rider® modular luggage system. It features front access pockets and expandable sides. Rigid construction allows stacking of other bags and helps bag maintain its shape. Removable molded handle, removable shoulder strap, and rain hood included. Made of 1680 Denier Polyester. The special diamond plate bottom design adds protection and a rugged look to the piece. Measures 23 x 11 ½ x 11 ½ inches. Single.

50156-00 Roll Bag \$116.95

The perfect luggage bag for all of your riding needs. Features both side and front access into the bag and pockets. Rigid construction helps bag maintain its shape. Mix and match with Iron Rider® other bags for additional storage capacity. Includes removable molded handle, shoulder strap and rain hood. Made of 1680 Denier Polyester. Measures 18 x 10 x 13 inches. Single.

26037-00 Guardian® Ultralite™ Plus \$69.95

This is a full size travel cover with compact design. It is constructed of rip-stop polyester for tear and abrasion resistance. It has UV and water repellent coatings, 2 sewn in vent flaps for allowing moisture to escape, a sewn-in storage bag and an elastic cord sewn along the bottom with belly straps. Single.

LLTLG Guardian® Traveler \$51.95

This covers the essential parts of the motorcycle; the fairing, seat and rear trunk. Made of durable urethane coated polyester, it is water repellent and quick drying. It folds compactly for storage, has a shock cord hem and foot peg straps. Great for traveling. Two year warranty from DOWCO. Single.

50084-00 Guardian® Weatherall Plus Trike Cover \$104.95

A full size trike cover constructed of heavy-duty polyester with special Color-Lok® treatment to prevent fading. Exclusive ClimaShield® Plus fabric protection, double taped seams, moisture guard vent system, heat shield, interior liner for windshield, sewn elastic shock cord and under-bike web strap, sewn in grommets, storage bag and sewn in pockets. Limited lifetime warranty from DOWCO. Single.

678-823 Chrome Coin Holder \$14.95

The tri-chromed coin holder fits on either a 7/8 inch or 1 inch handlebar. Puts change at your finger tips without digging in your pockets. Especially useful at a drive through. Single.

DW-1 Animal Whistles \$11.95

These chromed ABS whistles are intended to ward off approaching animals with a silent whistle. The chrome whistles are removable for easy cleaning and slide into a black base. They mount to any flat surface with self-adhesive tape. Pair.

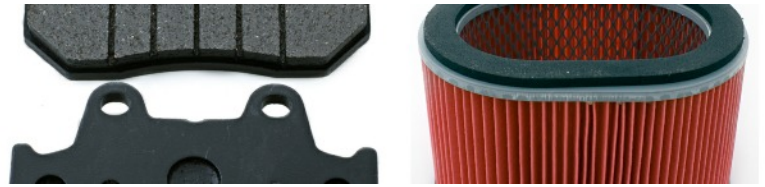

AL-06 Plastic Cycle Foot \$2.95

An essential piece to carry at all times. The cycle foot provides better support for the bike when parked on soft surfaces. Made of a durable plastic to be used under the kickstand. Small and light weight, it fits easily into the trunk or saddlebag. Measures 6 ½ inches long and 3 ¾ inches across the toes. Colors: orange or black. Single.

This receiver trailer hitch is easy to install and allows the rear wheel section to be removed in one piece. The trailer hitch includes an H bracket, 2 arms, chrome 1 1/4 inch receiver with a 6 3/4 inch chrome tongue, clip and pin to attach the receiver and a 1 7/8 inch chrome ball. Fits the GL1800 01-10 except airbag models. Single.

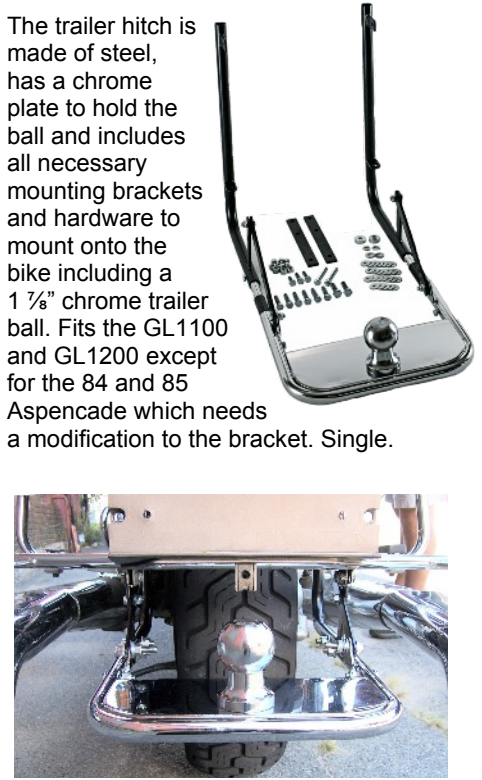

45-1806A GL1800 Receiver Hitch \$244.95

This receiver trailer hitch is easy to install and allows the rear wheel section to be removed in one piece. Includes an H bracket, 2 arms, chrome 1 1/4 inch receiver with a 10 inch tongue, clip and pin and 1 7/8 inch chrome ball. Fits the GL1800 12 & up except airbag models. Single.

993-181 GL1100/GL1200 Trailer Hitch \$159.95

The trailer hitch is made of steel, has a chrome plate to hold the ball and includes all necessary mounting brackets and hardware to mount onto the bike including a 1 7/8 inch chrome trailer ball. Fits the GL1100 and GL1200 except for the 84 and 85 Aspencade which needs a modification to the bracket. Single.

673-181 Chrome Trailer Ball Cover \$11.95

Tri-chromed trailer ball cover fits over a 1 7/8 to 2 inch trailer ball and includes a foam insert to hold the cover in place. Single.

993-181A Chrome Trailer Ball \$22.95

The standard chrome trailer ball measures 1 7/8 inch and can be used as a replacement for any trailer hitch. Single.

45-1848 Trailer Wire Harness Converter \$18.95

The wire harness converter allows the connection of 5 wires from the bike to a trailer with a 4 wire system.

45-1806-A GL1800 01-10 Replacement Chrome Receiver, Pin & Clip \$41.95

Replacement tri-chrome 1 inch receiver, pin and clip. Fits the GL1800 01-10. Single.

678-038 Chrome Jack Stand \$48.95

A chrome trailer jack stand attaches to the tongue of the trailer. It is spring loaded and is easily pulled down into position to balance the trailer. It flips up out of the way when not in use. Single.

45-1806-C GL1800 2012 & up Replacement Chrome Receiver, Pin and Clip \$54.95

Replacement tri-chrome 1 inch receiver, pin and clip. Made with a longer reinforced receiver to fit the newer GL1800s. Fits the GL1800 12 & up. Single.

TRAILER ACCESSORIES

45-1819 ABS/Non-ABS Isolated Trailer Wire Harness \$39.95

Trailer wire harness allows the current from the trailer lights to be drawn directly from the battery using stock lighting circuits. Fits the GL1800 01-10.

090-143T Non-ABS Brake Trailer Wire Harness \$18.95

Trailer wire harness allows the current from the trailer lights to be drawn directly from the bike battery. Fits the GL1800 01-10 with Non-ABS brakes.

45-1896 Isolated Trailer Wire Harness \$54.95

A plug and play all inclusive isolated trailer wire harness. Fits the GL1800 12 & up.

358 Trailer Wire Connector Kit \$45.95

Universal chrome trailer wire connector consists of a 6 pin contact, waterproof socket and plug-in receptacle. Single.

45-8945 Trailer Wire Harness with Relay \$35.95

A plug and play trailer wire harness with relays allows the current from the trailer lights to be drawn directly from the battery using stock lighting circuits. Fits the GL1500.

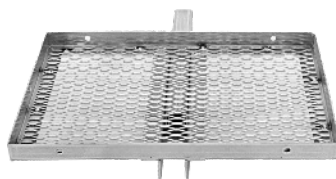

Cooler Racks These cooler racks are well engineered to carry heavy loads and are constructed of light weight durable aluminum that will not rust. This rack has a receiver with a 1 ¼ inch opening. The rack comes in a natural finish or painted black, measures 11 inches by 16 inches with a solid 1 inch frame edge with holes to attach bungee cords and a grate floor. Made in the U.S.A. Single.

Part	Color	Application	Price
678-032	Natural	Adjustable cooler rack for any horizontal receiver. Can adjust from 4 ¼" to 8 ¼".	\$169.95
678-032B	Black	Adjustable cooler rack for any horizontal receiver. Can adjust from 4 ¼" to 8 ¼".	\$169.95
